

PASTORAL LITURGICAL

02nd DECEMBER, 2018

YEAR 2018 – 2019

30th NOVEMBER, 2019

Kindly Note:

- 1). To have a proper and meaningful Liturgical celebration, kindly go through some of the important Universal norms on the Liturgical Year and the General Roman Calendar of the Roman Missal given in our Ordo on pages from 2-30.
- 2). For Sundays and Solemnities, three readings are assigned: that is, from a Prophet, an Apostle, and a Gospel. By these the Christian people are brought to know the continuity of the work of salvation according to God's wonderful plan. These readings should be followed strictly. During the Easter Season, according to the tradition of the Church, instead of the reading from the Old Testament, the reading is taken from the Acts of the Apostles.
For feasts, on the other hand, two readings are assigned. If, however, according to the norms a feast is raised to the rank of a solemnity, a third reading is added, taken from the Common.
For memorials of Saints, unless strictly proper readings are given, the readings assigned for the week day are customarily used. In certain cases, readings are provided that highlight some particular aspect of the spiritual life or activity of the Saint. The use of such readings is not to be insisted upon, unless a pastoral reason suggests it.
In the Lectionary for weekdays, readings are provided for each day of every week throughout the entire year;

as a result, these readings are for the most part to be used on the days to which they are assigned, unless there occurs a solemnity, feast, or memorial that has its own proper New Testament readings, that is to say, readings in which mention is made of the Saint being celebrated.

If, however, the continuous reading during the week is interrupted by the occurrence of some solemnity or feast, or some particular celebration, then the priest, taking into consideration the entire week's scheme of readings, is allowed either to combine parts omitted with other readings or to decide which readings are to be preferred over others.

In Masses with special groups, the priest is allowed to choose texts more suited to the particular celebration, provided they are taken from the texts of an approved lectionary.

- 3). Those who would like to have the readings proper of the memory of the same for that day, kindly refer to Lectionary.
- 4). Because of the importance of the memories given below, the readings-proper are given for the 26th January, 22nd & 29th August & 7th October.
- 5). World Communication Day will be celebrated on the Solemnity of Ascension of the Lord (2nd June, 2019).
- 6). Ordo 2019 Year Liturgical Readings are from 02nd Dec., 2018 to 30th Nov., 2019.
